Dear Ms. Thompson:

Thank you very much for your letter of December 17, 1986 in which you included copies of two documents used to withdraw administrative orders issued in connection with Duane Marine Salvage Corporation Superfund site. I would very much like to have copies of the successful petitions to which you referred in your letter.

As you requested, I am including with this letter a copy of the article to which I referred in our telephone conversation: "Negotiating Waste Site Cleanups" from the September, 1986 issue of The Practical Real Estate Lawyer. Congratulations to you at Region II for earning such positive comments from the article's authors.

Sincerely,

Renee
